

Important Notice on Payment Methods:

From: Sue Cressel, NP, Owner

Date: October 17, 2023

Effective immediately, there will be a 3.5 percent fee for credit/debit card transactions at About Face Medspa & Wellness.

To date, we have absorbed these fees; and on aesthetic services, my prices have remained the same since 2019. However, with inflation affecting every product that we sell, we must look for ways to contain costs wherever possible. Rather than continuing to absorb credit card fees and having to raise prices to cover them, we are attempting to be fair and allowing those who pay with cash to enjoy the savings that the cash transaction provides.

Thank you for your understanding and patience.
